

NAUTITALK N2R

Yachting Headsets – Onboard Team Communication

Communication

Mesh Intercom™ Technology provides the perfect connection with a near-limitless number of participants.

- High-quality audio
- Devices are connected in a self-healing-mesh, not in a daisy chain. (Bluetooth®)
- Open Mesh Intercom: 9 channels
- Working distance: up to 1.1 km / 0.7 mi* range
*Can extend up to 4.4 km / 2.8 mi between a minimum of 6 users
- Talk time: up to 9 hours

Highlights

- Mesh Communication System for boating and yachting. Perfect communication even in the most remote sailing destinations and under noisy conditions.
- Comfortable and easy to wear - over the ear or with sunglasses.
- Mesh Intercom connects a near-limitless number of people without pairing.
- Noise-free transmission via the sophisticated Sena microphone sensor, even in strong winds..
- No need for Wi-Fi or cellular data to connect.
