Yachting Headsets – Onboard Team Communication

Communication

Mesh Intercom™ Technology provides the perfect connection with a near-limitless number of participants.

- High-quality audio.
- Devices are connected in a self-healing-mesh, not in a daisy chain. (Bluetooth®)
- Open Mesh Intercom: 6 channels
- Working distance: up to 0.7 km / 0.4 mi* range.
- Talk time: up to 7 hours.

Highlights

- Tailored specifically for yachting and boating enthusiasts, providing reliable communication over water.
- Superior communication in noisy and remote areas with technology designed to maintain clarity in challenging environments.
- Easy to wear and hassle-free, fits securely and comfortably clipped on a cap or other headgear.
- Mesh™ intercom allows virtually unlimited users to connect without the need for pairing, simplifying group communication.
